

Zion Cares 4 Concord Kids (ZC4CK)

The ZC4CK fund allows members of the congregation to make financial contributions to a protected fund. This account is held by the school for families that endure financial hardships that prevent their children from attending our school. This financial hardship might be as simple as funding extended care while a family works or providing a month's tuition for a temporary hardship or as extensive as providing a yearlong tuition break for a family that needs it. The funds are distributed by the assigned committee. Please mark your offering envelope ZC4CK or donate online at <https://zionconcord.churchtrac.com/give>

The Churches-Stained Glass Windows

This is an ongoing project where we do one set of windows as funds are raised. The cost per set is \$6,300.00. We currently have \$1700.00 towards the next set.

Online contributions can be made at: <http://zionconcord.churchtrac.com/give>

Flowers & Eternal Candle

Sign-up sheets are posted outside the office. Sign up to honor a loved one or celebrate a special day. The cost for the flowers is \$45.00. If you would like to light the candle in memory of a loved one, the cost is \$10.00.

GIFT CARDS

The holidays will be here before we know it. Looking for a quick gift for someone special? Consider purchasing a gift card through the Zion-Concord PTO and a percentage of the purchase will go to support the school. The service that we use is called Raise Right. We have a limited supply of cards available for immediate purchase in the office or you can also order ones through various ways. More information can be found at <https://links.zionconcord.org/scrip>. There you will find more information about Riase Right's mobile app, online links, and paper order forms that can be used to purchase gift cards. Any questions, please contract pto@zionconcord.org

Teacher Giving Tree

This year, the school has updated the **Giving Tree** near the front door with which each teacher may wish for extra supplies for their classroom (i.e., to do a special project/ add an enhancement to a chapter of the curriculum, etc.) Teachers have filled out a tag with an item they are wishing for. Simply take a tag, purchase the item, and deliver it to the school office with the tag.
